

# DECEMBER NEWSLETTER

## Message to Families:

Seasons' Greetings, AiES Families and Community!

We are elated about this time of the year as we celebrate family and community in observance of what the holiday season is truly about, i.e., family and love of our community. With that, AiES staff have planned a wonderful Christmas Program in which students will display their talents to commemorate the spirit of Christmas. During that time, we will also have Santa collecting Christmas wishes and taking pictures with our beloved students. Please be sure to place this event on your home calendars as indicated in the Dates to Remember section.

Additionally, as we close the first semester, please be sure to sign up for Quarter 2, End-of-Quarter Conferences to occur December 20th. Detailed information regarding your student(s)' progress and goals will be shared so that there is continuity of communication between teacher and the student's family with regards to reinforcing students' academic trajectories for the second semester.

Lastly, thanks to all stakeholders for a productive and successful first semester. Have a safe and joyful Christmas holiday and Winter Break.

Mr. Moore
