

April Newsletter Message to Families:

Happy Spring, AiES Families and Community Stakeholders!

We are delighted that we are approaching another successful year with our students. As we begin our springtime festivities and events, let's remain mindful of how fortunate we are to have a school such as ours where students and staff want for anything pertaining to the delivery of effective instruction. Furthermore, I am particularly excited about the inaugural Science Fair and our Intramural Sports Program to begin fourth quarter. The advent of these programs/events enhance the learning experiences of students ensuring their academic engagement, and for the school itself, continuous improvement.

In addition to the above-mentioned, Tribal Council expanded our School Board to include two additional members completing the required seven-members in accordance with the School's By-laws. We welcome Katherine Castillo and Collette Lewis to our Board of Education.

Blessings, Mr. Moore

Anya itpak News:

Although mentioned above, we are coordinating our inaugural Intramural Sports Program. More details are forthcoming regarding this essential program for our students. We hope to grow from an Intramural Sports Program to an Inter-scholastic Sports Program in the future.

Dates to Remember:

- April 7th – Afterschool Clubs Begin
- April 10th- Board Meeting, 5:30 pm
- April 11th- Science Fair, 9:45 am to 10:45 am
- April 17th- Easter Brunch with Easter Egg Hunt for Primary Grades, Raffle for Upper Grades
- April 18th- Good Friday (No School)
- April 21st – 25th NWEA MAP Testing

Reminders:

Council meetings are held every 2nd Tuesday and every 4th Saturday.
