

Kamathu Students, Families, and Community Members,

I am honored and excited to serve as the new principal of Anya itpak Elementary School. As we begin this school year together, I look forward to building strong relationships and creating a school environment where every child feels valued, supported, and inspired to learn.

Our school is strengthened by the rich cultures and traditions of our community, including the Aha Macav Way of Life Values of respect, compassion, truth and honesty, and humility. By learning from one another and working together, we can provide a nurturing environment where every student can grow and succeed.

Thank you for welcoming me and my family to this wonderful community. I am excited for the year ahead and all that we will accomplish together. If you have questions, ideas, or simply want to introduce yourself, please feel free to contact me. I value open communication and look forward to partnering with you to support the success of every student.

Sincerely,

*Dr. Glenn Haven*

Principal

Anya itpak Elementary School

"Students will rise to the level of expectations."
