

SEPTEMBER NEWSLETTER

HELLO

Dear Families,

As we begin September, I want to thank you for your support during the start of the school year. It has been wonderful to see our students learning, building friendships, and settling into their routines. We look forward to a month filled with growth, learning, and success.

Attendance Matters

Regular attendance and arrival on time are important to your child's academic success. Every school day provides valuable learning opportunities that cannot be fully replaced when students are absent or late. Please help your child establish a strong attendance routine and notify the school if they must be absent.

Student Behavior Expectations

We are committed to maintaining a safe, respectful, and positive learning environment. Students are expected to:

- Show respect for themselves and others.
- Follow school and classroom rules.
- Take responsibility for their actions.
- Make choices that support learning.

When families and schools work together to reinforce these expectations, students are more successful both academically and socially.

Supporting Learning at Home

Family involvement plays a vital role in student success. You can support your child's learning by:

- Asking about their school day.
- Setting aside time for homework and reading.
- Monitoring assignments and school communication.
- Encouraging effort and celebrating growth.

Together, we can help every student reach their full potential. Thank you for your continued partnership in your child's education. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Dr. Glenn Haven

Principal

Anya itpak Elementary School

"Students will rise to the level of expectations."

Jaime Escalante
